(Philadelphia, January 2011) This winter, **InLiquid** presents ***In My Body: Reworks***, an exhibition of works featuring Susan Cunningham, Leah MacDonald, Laurie Beck Peterson, Benjamin C. Pierce, and Heather Sincavage at the Painted Bride Art Center Café Gallery. There will be an opening reception for the artists on **First Friday, February 4, 2011** from 5 to 7 pm, and an additional reception on **March 4, 2011 from 5 to 7 pm**.

In My Body: Reworks continues the theme of the ***In My Body project***, a multi-arts exploration of body image and self-perception, and celebration of body esteem. *Reworks* builds on the 2010 exhibition **Leah MacDonald: *In My Body***, which featured a 20 year retrospective exhibition of encaustic photographs of women living in their bodies by Philadelphia-based photographer, Leah MacDonald. The exhibition was shown at Wexler Gallery in Philadelphia, www.wexlergallery.com. The theme of the *In My Body project* was inspired by Leah's work and by the song *In My Body*, composed by Dan Martin, with lyrics by Michael Biello.

Creating a second exhibition based on a celebration of the body, InLiquid brings together Leah MacDonald (courtesy of Wexler Gallery) with additional artist members Susan Cunningham, Laurie Beck Peterson, Benjamin C. Pierce, and Heather Sincavage to represent more photographic interpretations and expressions of body image and self-esteem. ***In My Body: Reworks*** will exhibit 4 to 6 works from each of these artists to broaden the perception the audience experiences through the eyes of multiple artists examining the figure.

In addition to the *In My Body: Reworks* exhibition, a special collaborative dance, music, song and visual arts performance of *In My Body*, choreographed and directed by Melanie Stewart and written by Michael Biello and Dan Martin, will be presented at the Painted Bride on January 22 and again on January 23. Information and tickets for these performances are available at the Painted Bride box office and online at www.paintedbride.org.

The exhibition is supported by InLiquid and the KatherineAlexandra Foundation, the principal sponsor of the *In My Body* project.
