InLiquid at International House Presents
the third idea
a new video installation by Nick Cassway aka dj Yardsale

February 1 - March 28, 2008
International House, 3701 Chestnut Street, Philadelphia, PA
Public Reception: Wednesday, February 6, 5:30 - 7:30 PM

(Philadelphia, January 2008) InLiquid at International House presents *the third idea*, a new video installation by Nick Cassway, aka dj Yardsale. Cassway mixes a time-shifting video and audio compilation culled from public domain sources referencing various genres of the early 20th century. An implied narrative -- "the third idea" -- is developed through a combination of moving pictures and sound.

Nick Cassway is a Philadelphia-based visual artist and curator. Cassway earned his BFA in painting from Tyler School of Art. Cassway has exhibited in Philadelphia at the Print Center, the Philadelphia Art Alliance, Eastern State Penitentiary, Spector Gallery, Art in City Hall, NEXUS, and Arcadia University Gallery; he was also co-curator for Dissentia Curatorial Services. Since 2003 he has served as Executive Director at NEXUS/Foundation for Today's Art. Cassway also teaches digital imaging at Drexel University.

Admission is FREE to International House art exhibitions. Video installations at International House are made possible with the support of Genesis Asset Protection.
